# Time to relax

## MOM'S ESCAPE PRENATAL MASSAGE

70 mins

Our prenatal massage is a one hour "ME TIME" you deserve to relax and pamper yourself. It will energize your body and relax your mind. This massage enhances the function of your muscles and joints and improves blood circulation keeping the skin moisturised to prevent stretch marks.

**Rs. 4,000/-**

## WARM THAI BOLUS MASSAGE

90 mins

This Thai herbal massage uses herbal compresses containing a combination of healing herbs, which, along with our special massage techniques gives you a soothing & relaxing massage. These warm herbal balls provide a powerful & therapeutic treatment that combines aromatic, herbal & thermal therapies to treat stiff & sore muscles with deep heat, provide relaxation & stress relief.

**Rs. 6,000/-**

## MIND & BODY SOOTHING MASSAGE

75/90/120 mins

The main purpose of this massage is to increase oxygen flow in the blood and release toxins from the muscles. A mind and body soothing massage shortens recovery time from muscular strain by flushing out lactic acid, uric acid, and other metabolic waste. It increases circulation without adding extra load to the heart. Other potential benefits include stimulation of circulation, increased muscle tone, and balance of the musculoskeletal system. Techniques used in this massage, such as kneading, stroking, friction, tapping, and vibration, can provide relief from stiffness, numbness, pain, constipation, and various other health issues.

**Rs. 3,500/4,000/-  
5,000/-**

## MUSCLE RELAXING DEEP PRESSURE MASSAGE

75/90/120 mins

This massage aims to release the chronic pattern of tension in the body through slow strokes. It is used to break down adhesions that are on the tendons, ligaments or muscles which are the root cause of pain. Adhesions are bands of rigid tissue that are very painful and will not simply disappear by themselves. Guests often notice improved range of motion immediately after a deep tissue massage.

**Rs. 4,000/4,500/5,500/-**

## FOOT REFLEXOLOGY

40/60 mins

There are "reflex points" in the hands and feet that relate to specific organs and glands in the body. Stimulating those reflex points promotes health in the corresponding organ via the body's energetic pathways. The pressure stimulates the related body regions or organs to promote healing. It also stimulates circulation, reduces stress and promotes relaxation.

**Rs. 1,400/1,800/-**

## INDIAN CHAMPI

30/40/60 mins

Indian Head Massage (or champi massage) is based on the ancient Ayurveda healing system passed down from generation to generation within India. Feel your stress, aches and pains disappear with this wonderfully relaxing therapeutic experience. Head Massage has been practiced in India for many millennia and is renowned for relieving the stress symptoms of head, face and neck. Indian Head Massage is a safe, simple yet effective therapy. Lose yourself in time, as you unwind during this particularly soothing massage.

**Rs. 6,500/-**

## CELLULITE COMBAT MASSAGE

70 mins

Often the fatty lumps that cause cellulite are due to your body toxins. This massage works through these fatty lumps and eventually rids your body of them. A good cellulite massage therapy works on targeting the lymphatic system to drain the accumulated fluids often associated with cellulite. It can break up the fatty deposits and expel excess water helping to improve skin's appearance and reduce dimpled skin.

**Rs. 4,000/-**

## PAIN RELIEF BACK MASSAGE

30 / 40 / 60 mins

Back pain is one of the most common ailments for which people turn to massage therapies to alleviate it. Using firm and deliberate pressure with the help of your thumb, the knots and bunched up spots on the back are relaxed. By using essential oil, firm and long strokes are given from the lower back to the neck.

**Rs. 1,600/1,800/2,100/-**

## CHAKRA HEALING MASSAGE

90 mins

Chakra healing massage uses smooth, heated river stones. They are often basalt, a black volcanic rock that absorbs and retains heat well. These stones help to improve the blood circulation thus helping to move the blood faster around your body and also soothes the nervous system. This massage promotes deep muscle and tissue relaxation, alleviates stress, and releases toxins, improving flow of energy and promoting better sleep.

**Rs. 6,000/-**

## LUXURY COUPLE MASSAGE

70 mins

Feel the love and care and enjoy our luxury couple spa. Share the experience of massage with your loved one or friend. This together time reduces stress and increases relaxation & bonding.

**Rs. 7,000/-**

## HEAD & BACK THERAPY

40 / 60 mins

The Head and back Massage focuses on specific areas rather than the entire body. The massage helps to relieve tension in your muscles, improve circulation and reduce stress in the head & back. This therapy is especially recommended for those who work sitting down or are at a desk all day. The focus on your back, head and shoulders helps you to relax and assists in the reduction of stress hormones in the muscles which can reduce the occurrence of tension related headaches.

**Rs. 1,600/2,000/-**
