

# JOHNSON BAR

GOOD TIMES ON TAP SINCE THE MOUNTAINS WERE YOUNG

## THE JOHNSON BAR STORY

*High in the Himalayas,*

*Our mountain bar was born — a place where travelers from around the world gathered, laughed, & shared their stories (& recipes!).*

*Over the past twenty years, every cocktail here has been stirred, shaken, & perfected with a touch of that global spirit.*

*So as you sip tonight, you're tasting a journey — one that began with curious travelers & now continues with you.*

*Got a great idea or twist? Tell our bartender.*

*Cheers to good times & better cocktails!*
