

BAZAAR
ALL DAY DINER

The shuffle of crates, a rustle of spices,
the whistle of a vendor, the sizzle of a dish.

You can't ignore the call of Bazaar.

This isn't merely a restaurant,
it is a marketplace of cuisines.

Here, the extraordinary is commonplace
and the ordinary barely seen.

Whichever direction you turn,
global street food and superfoods call out to you.

A relentless wave of flavours and ideas,
each dish fighting for your undivided attention.

So let your taste buds go exploring
and enjoy everything at once.

The food that we prepare in our hotel may contain traces of egg, peanut, soya bean or one of its derivatives, milk, fish, shellfish, wheat, gluten and sesame seeds. If you are intolerant to any of these products, kindly let us know.

We shall suggest alternatives for you.
