

*“If you have to ask what jazz is,
you’ll never know.”*

– Louis Armstrong

That’s the thing about jazz.
It doesn’t want explaining.
It wants you to sit with it. Enjoy it.
It lives in timing, in restraint, in moments that unfold
instead of rushing in.

That same instinct shapes the evenings at Trinity.
Some nights drift by, sweet and slow.
Some catch you off guard, charged and electric.
No two evenings sound the same. And no two moments
feel alike.

Flavours take their time here. So do the drinks.
And the music knows when to fade into the room,
and when to gently pull you back in.

So settle in. Stay present.
That’s how Trinity is meant to be experienced.

Give it time, and it starts to make sense.
Not in words. But in feeling.

COCKTAILS

Madras Trade 1400

Madras Trade reflects Chennai's history as a meeting point of cultures and flavours. Whiskey, fresh mint, and watermelon bring bold regional familiarity, creamy milk and ice cream add a modern twist, while Montenegro introduces global depth coming together as a smooth, refreshing expression of heritage meeting the world.

Coastal Cooler 1400

Coastal Cooler draws inspiration from Chennai's coastal neighbourhoods, where sour Malabar tamarind, tropical pineapple, and betel leaf define everyday flavours. Balanced with global rums and a modern tonic lift, it's a distinctly Madras expression shaped by the sea and the city.

George Town 1400

George Town celebrates Chennai's historic trade quarter, where local flavours and global influences meet. Lavender brandy, lime, and floral notes come together in a bold, modern sip rooted in regional heritage.

Golden Weave 1400

Golden Weave draws inspiration from Kanchipuram's master weavers, combining turmeric and passion fruit gin with soothing tea syrup and a hint of black lime. Finished with an edible saree print garnish, it's a modern, bold expression of local heritage and global influence.

Between Columns 1400

Between Columns is inspired by Chennai's architects and the intricate arches of Mylapore, where structure meets artistry. Bold regional flavours of tamarind, hing, and ginger blend with coconut, blue pea flower, and Whiskey using a modern clarified technique, finished with coconut caviar, and a hint of camphor. A sip that celebrates local heritage, architectural finesse, and global influence.

Jazz Alley 1400

Jazz Alley celebrates Chennai's jazz heritage, pairing hibiscus and coriander with tequila and lime, clarified with tofu for a smooth, modern touch. Finished with ice art, it's a spirited mix of local flavours and contemporary technique.

Clarinet 1400

Clarinet is inspired by the soulful melodies of Chennai's jazz scene. Bold regional flavours of nannari and banana blend with galangal gin, matcha, and oxidised wine, clarified with tofu and finished with saline and an artistic garnish.

Crimson 1400

Crimson, a modern tribute to the paddy fields of the Coromandel, where red rice begins its journey before meeting the world. Traditional red rice meets vodka, red grapes, and miso, unfolding into a kaleidoscopic expression of Chennai's heritage refracted through a global lens.

Spectrum 1400

Spectrum is Chennai in full colour, where jasmine, cardamom, citrus, and tequila are shaped by modern technique and a history of exchange, rooted in South Indian warmth and finished with international finesse.

JAZZ, IN A MINUTE

Jazz was born in early 1900s New Orleans, blending African rhythms, blues, and ragtime. It started in small clubs and street corners, where musicians improvised together.

From New Orleans, it spread to Chicago and New York, evolving into swing, bebop, and cool jazz. And now it has come to Chennai. Long way.

At its heart, jazz is improvisation, alive, expressive, and in conversation with the moment.
