MAYFAIR BODY TREATMENTS

DARJEELING TEA & SUGAR SCRUB | 30 Minutes

The green tea and sugar body scrub help to clear the dead skin and cells. Most of the time it is not tan but the cells that your body sheds get accumulated and give you a darker shade. This exfoliating treatment purifies the skin and enhances the glow.

COFFEE SCRUB | 30 Minutes

Coffee scrubs are considered to be one of the most effective exfoliating skincare products that not only removes tan but also helps give you radiant skin and even out your skin tone. A natural body scrub made of coffee is effective without being harsh. In short, your beauty routine will benefit greatly if you add coffee scrubs to it.

WHITENING WRAP | 30 Minutes

Whitening wrap helps to whiten your skin naturally. To brighten your skin, it's important to exfoliate regularly. These wraps are specifically formulated with marine nutrients and botanicals to optimize skin health and well-being during treatments.

DARJEELING TEA DETOX WRAP | 30 Minutes

Detoxifying green tea & clay mask cocooning the whole body to remove the toxins & excess oil. This also prevent the skin irritation & cellulite formation providing an instant compact and toned feel.
