

# Karma Lakelands Golf Academy

Discover the ultimate golfing experience at Karma Lakelands Golf Academy, where cutting-edge technology meets expert coaching to elevate your game. Our academy is designed for golfers of all levels, offering state-of-the-art infrastructure, personalised training programs, and a passion for excellence.

# World-Class Infrastructure

## TrackMan 4 Launch Monitor

Unlock your potential with TrackMan 4, the most advanced launch monitor in golf. With over 40 club and ball data parameters, gain unparalleled insights into your strengths and areas for improvement. Elevate your performance with precision feedback on every shot.

A large, bright orange rectangular launch monitor stands on a green grassy field. A small camera lens is visible on the top right corner of the device. The word "TRACKMAN" is printed in white capital letters on the lower front of the orange panel.

TRACKMAN

## Capto Gen 3 Sensors

Master the art of putting with CAPTO Gen 3. Lightweight and user-friendly, these sensors provide instant feedback and comprehensive data to refine your skills. CAPTO Gen 3 sets a new standard in putting technology.
