

LOCATION

Imagine stepping into a retreat where every rustle of leaves seems to tell a secret, and every breeze carries the promise of tranquillity. Welcome to MGM Whispering Nest, a gem in the heart of Yelagiri, where the charm of a private retreat meets the luxury of a boutique escape. Unlike typical hotels in Yelagiri, we offer not just a stay but an experience—private terraces to soak in the views, lush lawns to revel in nature's beauty, and spaces crafted for both comfort and adventure. Whether you're sipping morning coffee under a canopy of trees or unwinding by a crackling fire, every moment here feels magical. So, are you ready to discover where stories and serenity meet? Your escape begins at MGM Whispering Nest!

WEATHER through the year

Yelagiri offers diverse experiences throughout the year. During the winter months (Nov to Feb), temperatures range from a min of 16°C to a max of 28°C, providing pleasantly cool weather ideal for outdoor activities like trekking. In the summer (Mar to May), pleasant temperatures create the perfect conditions for adventure sports such as paragliding. Monsoon season (Jun to Sep) brings lush greenery, making it an ideal time for nature lovers and photographers to explore the verdant landscapes.
