Dear Principal,

Education becomes truly meaningful when children learn by experiencing the world around them. We invite your students to step into the fascinating world of nature at EsselWorld Bird Park, India's first interactive bird park, where they can discover over 500 exotic birds from 50 species.

The journey continues with Tic Tac Tot, Mumbai's first experiential soft play area with 200+ interactive games, and EsselWorld Fish Paradise, home to 700+ fish species in a modern aqua kingdom. Together, these experiences create the perfect mix of exploration, play and learning
