ON KOURSE

ORGANICALLY YOURS

Our new menu is a celebration of seasonality, sustainability and the joy of community, it's guided by our farm-to-fork philosophy. We have crafted each dish using fresh, organic ingredients nurtured within the green expanse of Karma Lakelands. Every plate reflects our commitment to conscious dining, wholesome flavours and food that feels as good as it tastes.

This edition features something especially close to our heart "The Master's Edition." Inspired by our Members-Only **Klub Karma Chef's Table Showdown**, this section brings to life the dishes that won the admiration of our very own members. Each winning creation appears on the menu exactly as presented along with the name of the chef who mastered it.

A menu shaped by nature, elevated by our chefs, and curated through the collective palate of our Karma community.
