A new chapter in Odisha's hospitality began on 25th August 2024, as Swosti Group unveiled Swosti Premium Beach Resorts in Puri, setting a new benchmark in coastal luxury. ## The 40th Annual Convention of the Indian Association of Tour Operators (IATO)

The 40th Annual Convention of the Indian Association of Tour Operators (IATO) was recently held in Odisha, marking a milestone for the State's tourism landscape.

Although Odisha has hosted the convention twice before, this edition was the first-ever IATO Convention in Puri—a significant boost for the coastal tourism circuit. Swosti Premium Beach Resorts, Puri had the honour of hosting the mega event, welcoming over 1,000 tour operators from across India. The successful hosting of this prestigious convention further strengthened Swosti Group's position as a key contributor to Odisha's tourism growth, showcasing the brand's ability to deliver large-scale national events with excellence, professionalism, and heartfelt hospitality.

## Message from the Chairman & Managing Director, Swosti Group

“

It gives me immense pleasure to share a few words with our valued guests, partners, and well-wishers through this edition of the Swosti Group Newsletter. As we look back on our journey, I feel proud of the consistent growth, innovation, and dedication that have shaped Swosti Group into one of Odisha's most trusted names in hospitality. Our team's commitment to excellence, coupled with the support of our patrons, has enabled us to set new benchmarks year after year.

This year has been particularly remarkable with the launch of Swosti Premium Beach Resorts, Puri our newest luxury beachfront destination. Overlooking the Bay of Bengal, the resort introduces an elevated holiday experience through its state-of-the-art spa, dedicated game zones for adults and children, and a stunning infinity swimming pool that blends seamlessly with the sea horizon. In addition, the city's highest rooftop lounge bar, Saltwater, has already become a sought-after attraction for its spectacular views and ambience. Swosti Premium Beach Resorts stands today as a preferred choice for families, leisure travellers, corporates, and destination weddings.

Equally exciting is our upcoming luxury project-Gopalpur Palm Resort at Gopalpur-on-Sea, designed to redefine coastal hospitality. Spread across a pristine seaside location, the resort will feature 124 luxury rooms, including 15 spacious family suites and one exclusive Presidential Suite, each offering sophistication, privacy, and comfort. With premium amenities, serene landscapes, curated wellness experiences, and world-class dining, this resort is set to become a hallmark of luxury in eastern India and a catalyst for Gopalpur's tourism resurgence.

In alignment with Odisha's rapidly growing tourism potential, we are also expanding into some of the state's most scenic natural destinations. Plans are underway to establish premium eco-luxury hospitality units at Satpada, Bhitarkanika, Satkosia, and other unexplored gems. These projects aim to promote sustainable tourism while offering travellers world-class comfort amidst nature's splendour. With each new venture, our goal remains the same to showcase Odisha's unique beauty and contribute meaningfully to its tourism landscape.

As we continue to grow, innovate, and diversify, I extend my heartfelt gratitude to our guests, stakeholders, and team members whose trust and support inspire us every day. Together, we look forward to an exciting future with many more achievements that uphold our motto: "Atithi Devo Bhava".

Warm regards,

### Cookie Swain

Actor

After our marriage, this is our second time at Swosti Puri, as Puri has always been our favorite destination. Earlier, we were often confused about where to stay, but after our first visit to Swosti Puri post-marriage, we absolutely loved the resort's ambience. The special attractions for us were the swimming pool view, the sea view, and the side-view rooms.

We are from Bhubaneswar and Cuttack, but never really had the chance to stay at Swosti's Bhubaneswar hotels. However, our experience here at Swosti Puri has been truly wonderful. This resort has now become our favorite place. We would definitely recommend it to come with your family and enjoy the resort.

Thank you so much.
