# Ayurveda Therapy

## Abhyangam

Abhyangam forms the basis of all external therapeutics in Ayurveda. It is a therapy that spans from head to toe using liberal amounts of specially prepared warm herbal oils. While you soak in the healing herbal extracts, long strokes stimulate the blood circulation, mobilise nutrition and exit toxins, leaving your body nourished and mind relaxed.

60 minutes – Two Therapists – Rs 4799  
80 minutes – Single Therapist – Rs 4499  
80 minutes – Two Therapists – Rs 5499

## Shirodhara

Shirodhara is one therapy that has been prominent in representing Ayurveda all over the world. A typical session includes all the goodness of Abhyangam given by two therapists in synchronic strokes to condition the body, cleanse the energy channels and stimulate the circulation. Then it proceeds to the next level where an unhurried swing of the flowing oils, blends or extracts on the forehead gently lulls your mind to a serene calmness.
