In The Heart of Corbett

The Tattwaa Corbett Spa & Resort

A pet friendly resort that captures the essence of the Corbett experience, aligning it with the universe's five essential elements: Earth, Fire, Water, Air and the Universe itself. These elements are not only the building blocks of nature but also the foundation of the guest experience here.

From the warmth and comfort of our rooms and suites to the exciting flavours of our signature "first-of-Corbett" cuisine, every detail has been crafted with intention. Our pool and themed grounds invite moments of refreshing activity. The experiential activities in and around Corbett evoke a sense of freedom and adventure.

Our genuine and enriching hospitality ties it all together, creating a stay that harmonizes with nature and leaves a lasting impression.
